Sir,

Subject - Revision of the scales of pay of the Municipal employees of T Narsipur

Adverting to your letter No L 13931 dated 25-2-48 on the above subject, I have the honour to forward herewith the report No C 68/47-48 dated 24-4-48 of the President Minor Municipal Council, T Narsipur and to state that the Municipality expects to realise about Rs 1500/- out of the entertainment tax recently levied in March 1948 and about Rs 1500/- under Octroi and about Rs 1000/- by revision of Shop tax Thus the Municipality expects to meet the extra cost of about Rs 2700/- involved by the revision of the scales of pay of the Municipal employees, out of the extra income that is anticipated to be realised from the afore said items

As regards the pay of the bill collector and Octroi Manegar, the Municipal Council desire to have it at Rs 30-1½-45 as against the existing scale of Rs 17-1-20 The pay proposed by the Council in respect of these two employees appears to be rather high and inconsistant with the scale of pay proposed by the other Municipal Council Even in town Municipalities like Nanjangud the scale of pay proposed to the Bill Collector and the Octroi Manegar is 30-1-35/- At best, the scale of pay of the Bill Collector and the Octroi Manegar of T Narsipur Municipality may also be fixed at Rs 30-1-35/- with this modification,

the scale of the revision of the pay of the Municipal employees may kindly be got sanctioned

The proposition statement has been verified with the scale register and certificate to that effect recorded by the President on the proposition statement
